

CHAPTER 12 THE INSPIRATION BOOK

VB-12-053

- **Color :** Black + Pink + Cream
- **Dimension :** D-6" L-20"
- **Lamp Type :** 20w WW
- **Barcode :** 940516250

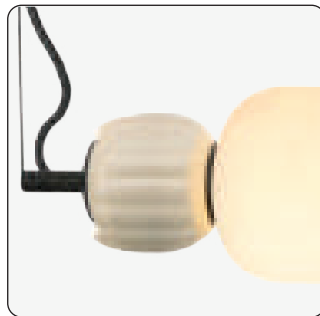

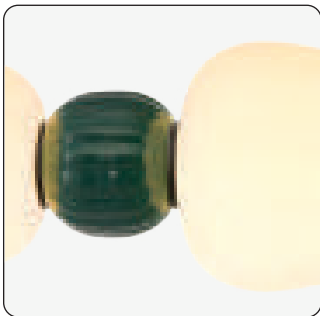

This pendant light showcases a stacked glass form with rounded silhouettes that flow seamlessly into one another. The layered arrangement provides a sculptural quality, while the softly diffused light brings warmth and harmony to any setting. Ideal for living rooms, lounges, or feature corners, it delivers both decorative impact and functional illumination.

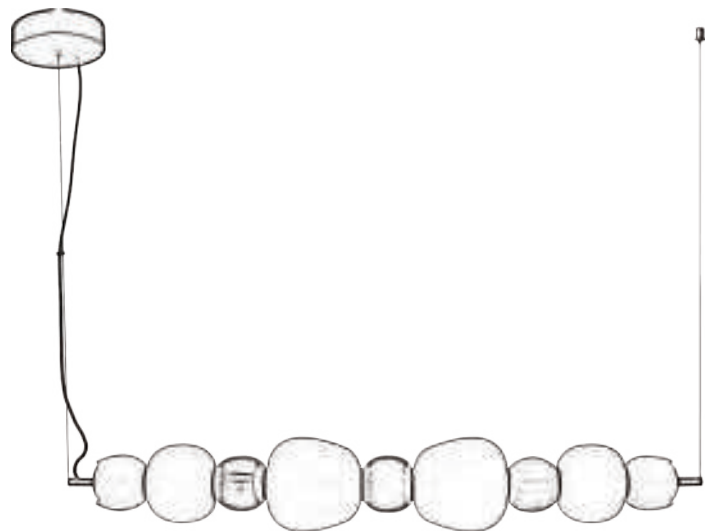

VB-12-054

- **Color :** Black + Pink + Cream + Green +Grey
- **Dimension :** H-6" L-36"
- **Lamp Type :** 40w WW
- **Barcode :** 940527500

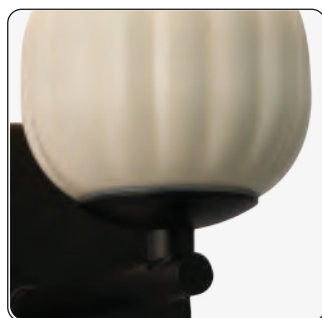

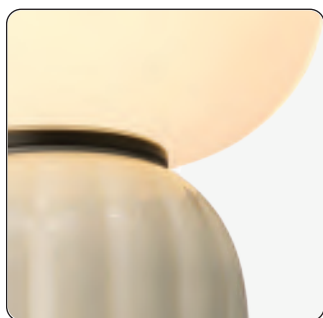

This Hanging light showcases a distinctive row of rounded glass elements arranged in a horizontal sequence. The design brings a sense of rhythm and harmony, making it a centerpiece in any modern setting.

Its elongated form is perfect for balancing long dining tables, kitchen islands, or spacious lounges. The layered structure adds depth while maintaining a clean, minimal profile. Softly diffused illumination enhances the atmosphere without overwhelming the space.

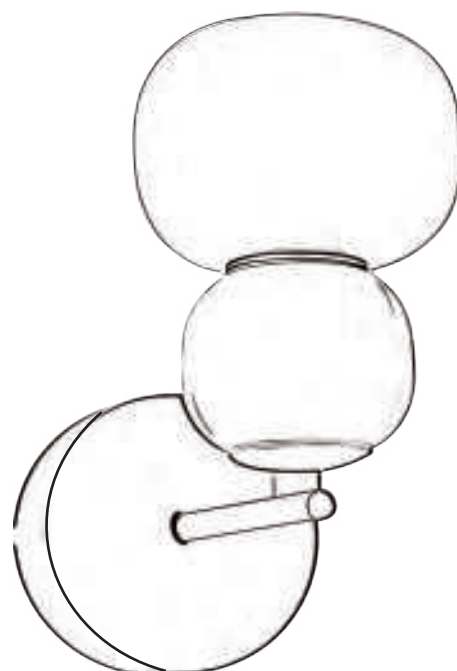

VB-12-055

- **Color :** Black + Cream
- **Dimension :** D-5" H-10"
- **Lamp Type :** 5w WW
- **Barcode :** 94057500

This wall light features a compact stacked-glass design that blends subtly with sophistication. The ribbed detailing of the lower piece contrasts beautifully with the smooth upper globe. Its balanced proportions make it versatile for both modern and classic interiors.

Designed for hallways, bedrooms, or accent walls, it enhances spaces with understated charm. The glow it produces creates a cozy and inviting atmosphere. Its minimalist structure allows it to complement existing décor seamlessly.

VB-12-056

- **Color :** Brass + Travertine + White
- **Dimension :** D-7" H-11"
- **Lamp Type :** 5w WW
- **Barcode :** 940510625

This pendant light presents a refined balance of simplicity and character with its dome-shaped shade and circular accent detail. The design emphasizes minimal elegance, making it suitable for a variety of modern and classic interiors. Its suspended form provides focused illumination while maintaining an airy and uncluttered presence.

VB-12-057

- **Color :** Brass + Travertine + White
- **Dimension :** D-30" H-12"
- **Lamp Type :** 30w WW
- **Barcode :** 940547500

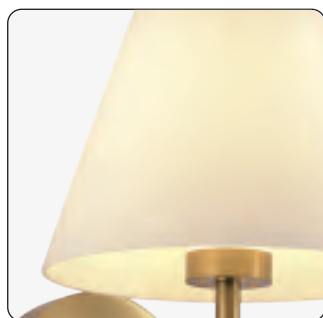

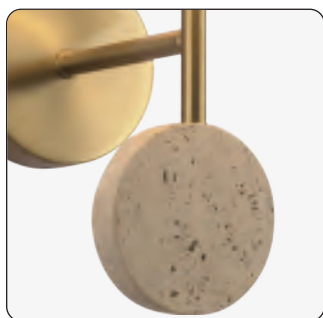

This chandelier brings a bold yet graceful presence with its multiple arms, each holding dome-shaped shades paired with round accent details.

The structured arrangement creates a sense of balance and symmetry while maintaining a contemporary appeal. Its layered design provides ample illumination, making it suitable for living rooms, dining spaces, or entryways. The combination of clean lines and geometric accents gives it both character and versatility.

VB-12-058

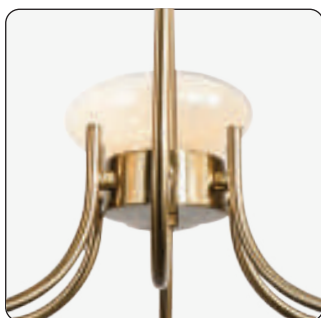

- **Color :** Brass + Travertine + White
- **Dimension :** D-7" H-12"
- **Lamp Type :** 5w WW
- **Barcode :** 940510250

This wall-mounted light has a sleek and elegant structure with a rounded base that holds a smooth arm. The arm supports a beautifully shaped shade that spreads light evenly in the space. Its simple design makes it a great choice for hallways, bedrooms, or study areas. Built with strong materials, it offers long-lasting durability and timeless appeal. The design is versatile, blending well with both modern and traditional interiors.

VB-12-059

- **Color :** Brass + Amber
- **Dimension :** D-26" H-15"
- **Lamp Type :** 20w WW
- **Barcode :** 940542500

This chandelier features a central stem with multiple curved arms extending outward in balance. Each arm holds a neatly shaped shade that enhances the light's overall symmetry and flow.

Its graceful form adds a sense of elegance and charm to the room. Perfect for dining areas, living rooms, or entryways, it creates a striking centerpiece without being overly heavy. The design is timeless, offering a mix of modern simplicity and classic inspiration. Built with durable materials, it ensures reliability and long service. Its wide spread of light makes the room feel warm and inviting.

VB-12-060

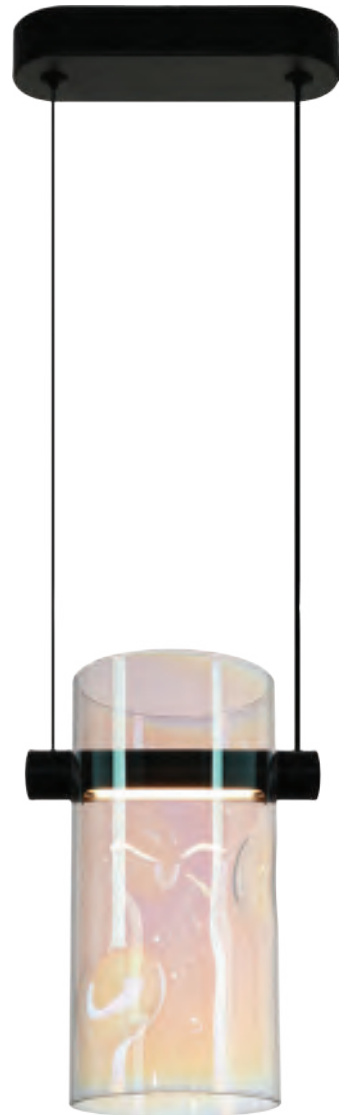

- **Color :** Brass + Travertine + White
- **Dimension :** L-32" H-22/18"
- **Lamp Type :** G9 x 5
- **Barcode :** 940548750

This hanging cluster light features a set of multiple hanging fixtures arranged in a neat linear form. Each pendant is suspended from a slim cable and finished with a finely shaped decorative detail, creating a refined and stylish look.

The design allows the light to spread downward in an elegant manner, ideal for dining tables, kitchen counters, or bar areas. The combination of materials gives it a modern yet artistic character. It offers both functionality and sophistication.

- **Color :** Brass + White + Blue + Brown
- **Dimension :** L-39" H-7"
- **Lamp Type :** 30w WW
- **Barcode :** 940535000

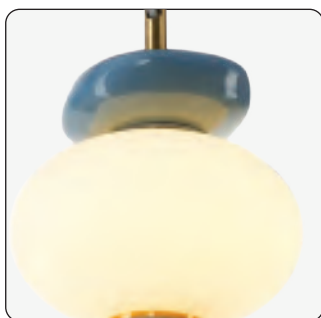

The hanging light is designed with a central stem that gracefully branches into multiple curved arms, each holding an elegant shade.

This arrangement enhances the spread of light while maintaining a balanced structure. It makes a striking centerpiece for living rooms, dining spaces, or foyers. The design is a blend of simplicity and elegance, making it suitable for both modern and classic interiors.

VB-12-065

- **Color :** Brass + White + Blue + Brown
- **Dimension :** D-9" H-20"
- **Lamp Type :** 15w WW
- **Barcode :** 940520500

This pendant light is defined by its distinctive layered design, featuring stacked decorative elements leading into a wide lampshade. Suspended from a strong ceiling mount with a slim wire, it creates a graceful hanging effect. The light is directed softly downwards, making it ideal for small dining spaces, study areas, or cozy corners.

VB-12-066

- **Color :** Brass + White + Blue + Brown
- **Dimension :** D-10" H-52"
- **Lamp Type :** 35w WW
- **Barcode :** 940555000

This floor lamp is designed with a bold stacked structure featuring multiple rounded elements arranged vertically. The layered composition gives it an artistic and sculptural presence, making it stand out as a statement piece. Its tall profile allows it to illuminate larger areas while adding a sense of balance to the space.

VB-12-067

- **Color :** Gold + Brass
- **Dimension :** D-10" H-16"
- **Lamp Type :** 5w WW
- **Barcode :** 940512000

This pendant light presents a sleek and minimalistic design suspended from a simple ceiling mount. The long central element extends downward, complemented by a circular shade that diffuses light gently. Its streamlined form makes it suitable for both contemporary and classic interiors. Perfect for dining spaces, study corners, or hallways, it provides focused yet soothing illumination.

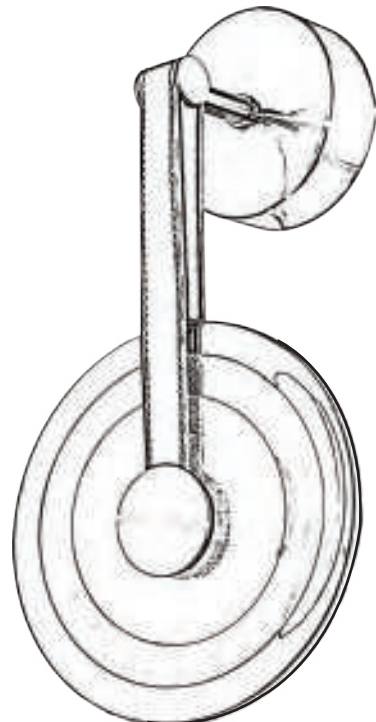

VB-12-068

- **Color :** Gold + Brass
- **Dimension :** D-8" H-16"
- **Lamp Type :** 5w WW
- **Barcode :** 940511250

This stylish wall lamp features a minimalist and elegant design, perfect for a modern interior. It showcases a circular brass-tone metal mount that securely holds a striking, translucent glass disk.

A sleek, leather-like strap gracefully wraps around the brass mount, adding a unique and sophisticated textural detail to the fixture. The circular glass element provides a soft, ambient glow, making it an ideal accent piece for creating a warm and inviting atmosphere. The combination of materials lends the lamp a luxurious yet understated appeal.

VB-12-069

- **Color :** Gold + Brown
- **Dimension :** L-30" H-15"
- **Lamp Type :** E14 x 6
- **Barcode :** 940535000

These sophisticated drum pendant light feature a timeless design that blends classic and modern elements.

The large, cylindrical shades are covered in a rich, textured fabric, available in a warm brown or a subtle taupe color, which creates a soft, diffused light. The shades are elegantly supported by a decorative metal frame with a polished brass finish, adding a luxurious and refined touch.

VB-12-075

- **Color :** Gold + Grey
- **Dimension :** D-7.5" H-19"
- **Lamp Type :** E14 x 1
- **Barcode :** 94057500

This unique layered pendant light is a true statement piece, showcasing a creative and artistic design. The fixture features a series of stacked elements, starting with several light-toned, spherical pieces at the top that transition into a dark, geometric diamond shape. The design culminates in a wide, conical shade made from a textured fabric.

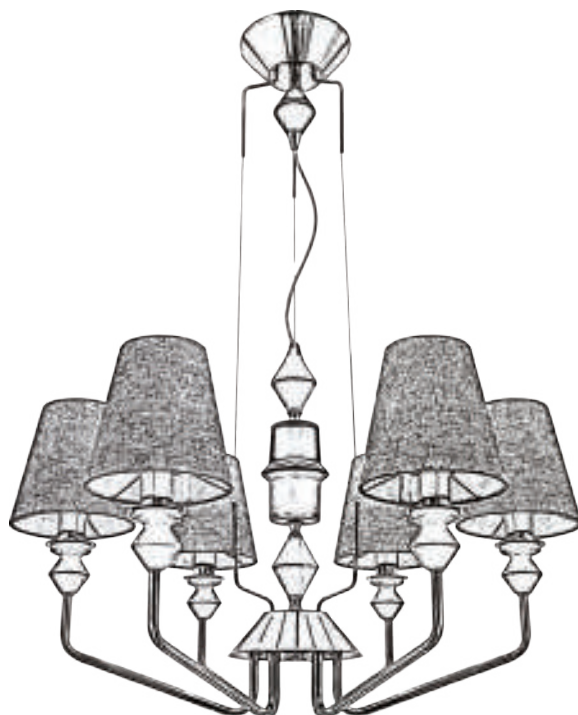

VB-12-076

- **Color :** Gold + Grey
- **Dimension :** D-28" H-28"
- **Lamp Type :** E14 x 6
- **Barcode :** 940535000

This elegant chandelier features a multi arm design, reminiscent of a classic candelabra but with a modern twist. The main body has a polished brass finish, while the central column incorporates dark, cylindrical accents, creating a striking contrast.

Each of the six arms supports a light bulb topped with a small, tapered fabric shade in a light, neutral color. This design blends traditional charm with contemporary clean lines, making it a versatile centerpiece for a dining room or living area.

VB-12-077

- **Color :** Gold + Grey
- **Dimension :** D-7" H-17"
- **Lamp Type :** E14 x 1

- **Barcode :** 94058750

These unique pendant lamps feature a sculptural, stacked design with a series of rounded elements. The fixture is composed of a translucent glass globe at the bottom, which serves as the main light source.

Above this, a combination of decorative, wooden and polished elements are stacked, creating a balanced and elegant form. These lamps are versatile and would be an excellent choice for a variety of settings, such as over a kitchen island or in a high-ceilinged entryway.

- **Color :** Black + Cream + Brown + Blue
- **Dimension :** D-6" H-29"
- **Lamp Type :** 7w WW
- **Barcode :** 940525000

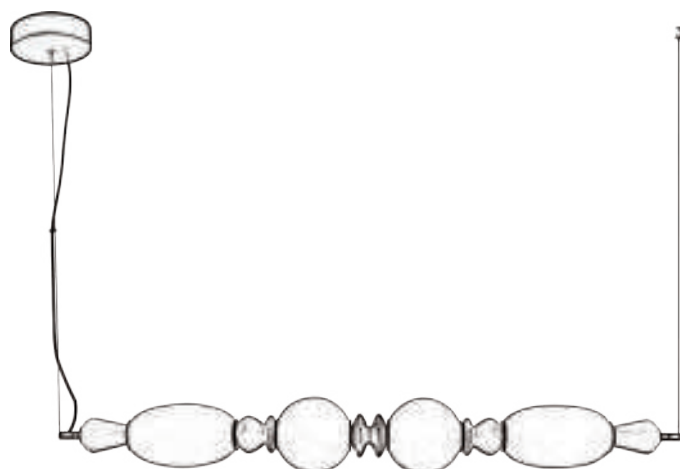

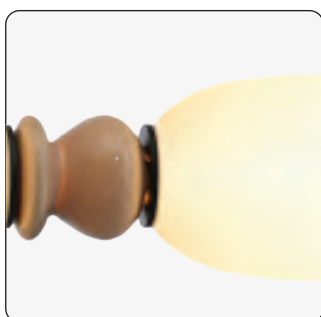

This elongated pendant lamp showcases a creative, vertical design composed of several individual, stacked shades. Each shade has a different shape, with some being spherical and others more abstract and elongated. The shades are connected to create a tall, sculptural form. This fixture is perfect for adding a touch of artistic flair and soft, ambient light to a space.

VB-12-133

- **Color :** Black + Cream + Brown + Blue
- **Dimension :** L-39" H-5"
- **Lamp Type :** 25w WW
- **Barcode :** 940527500

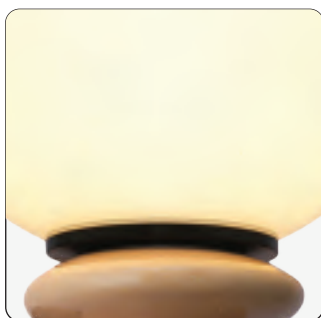

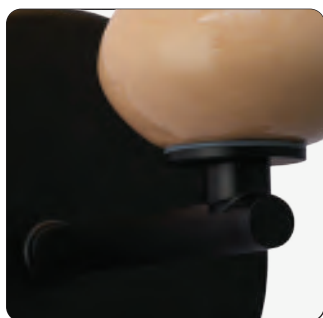

This unique linear hanging light features a striking horizontal design composed of a series of spherical elements. The fixture is suspended from a sleek, thin cord, with the decorative orbs arranged in a graceful line.

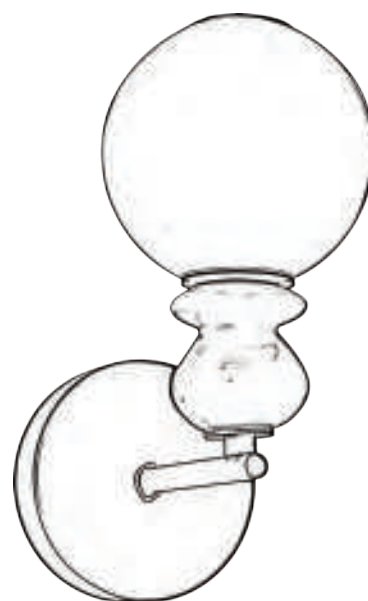

The spheres vary in size and material, with some being a solid finish and others a translucent globe, creating a dynamic and visually interesting form. It's a unique statement to the space.

VB-12-134

- **Color :** Black + Brown + White
- **Dimension :** D-5" H-11"
- **Lamp Type :** 25w WW
- **Barcode :** 94057500

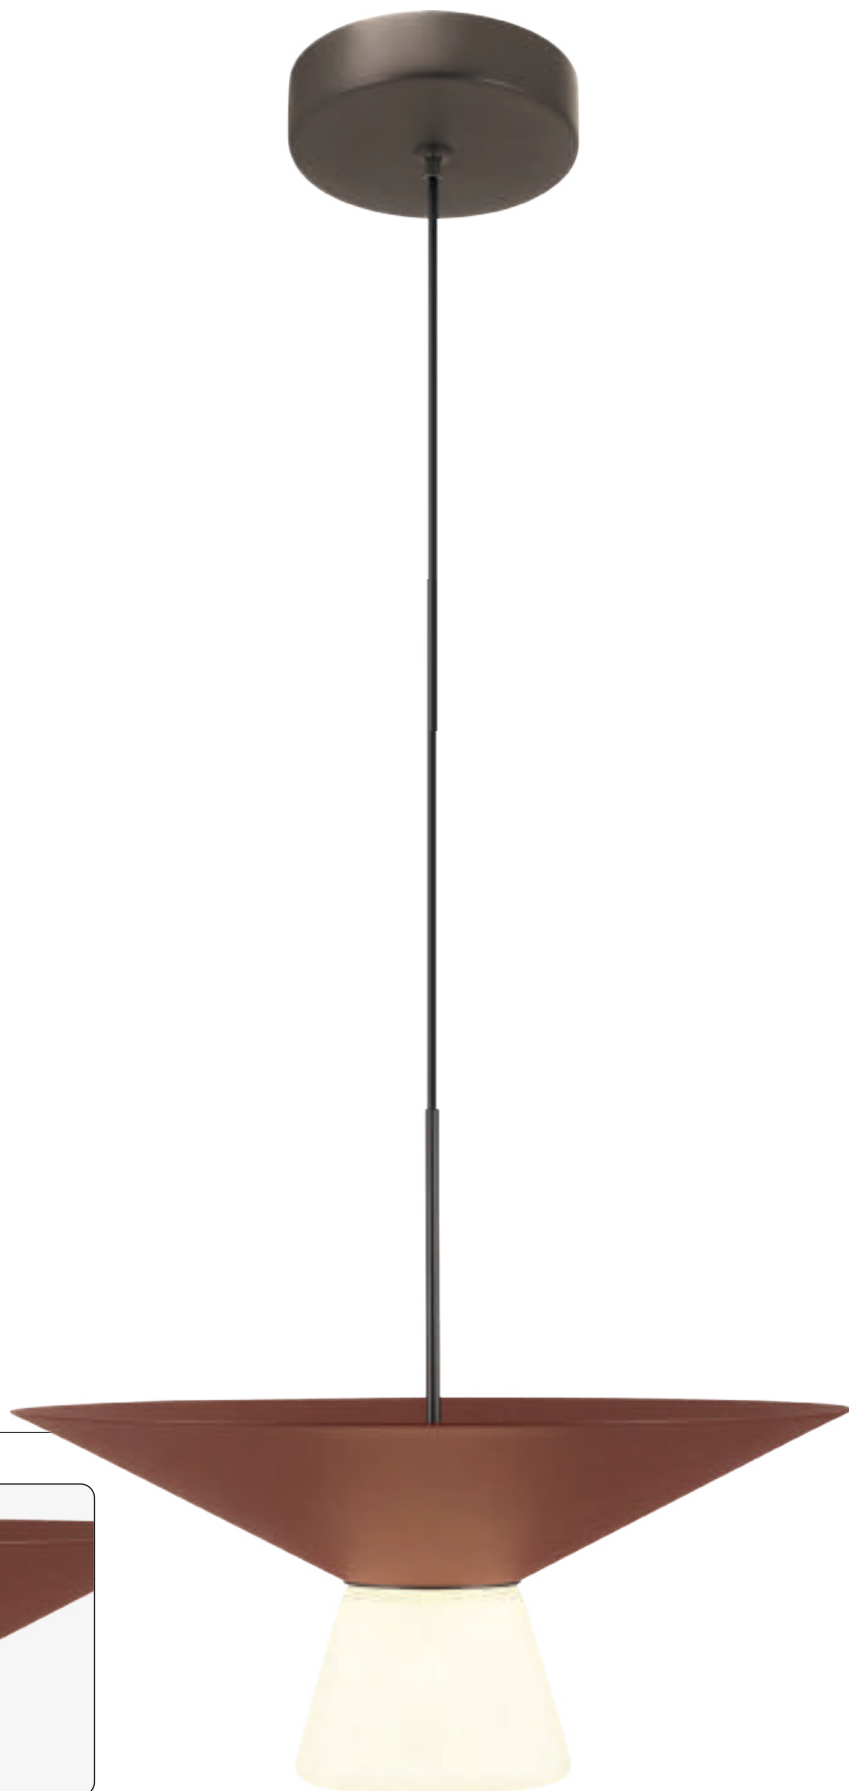

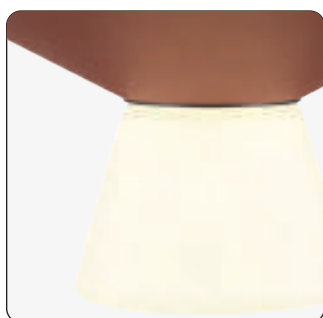

This elegant wall lamp features a unique and contemporary design. It consists of a round mount that connects to a curved arm, which in turn holds a large, spherical globe shade. The arm is adorned with a decorative, carved element that adds a touch of natural texture to the fixture.

VB-12-135

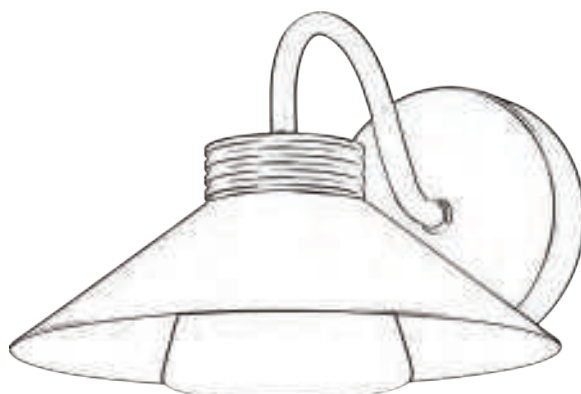

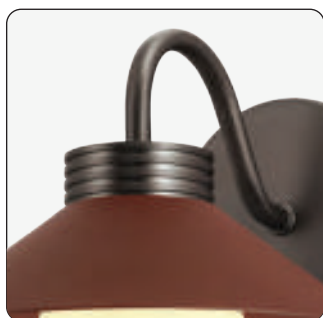

- **Color :** Grey + Brown
- **Dimension :** D-12" H-10"
- **Lamp Type :** 10w WW
- **Barcode :** 940510000

This stylish pendant lamp features a sleek, inverted conical shade with a warm, textured finish. A smaller, translucent light globe is suspended from the center of the cone, providing a focused, downward light. The minimalist design and clean lines give this fixture a modern, understated elegance.

VB-12-136

- **Color :** Grey + Brown
- **Dimension :** D-9" H-7"
- **Lamp Type :** 10w WW
- **Barcode :** 94058750

This robust wall lamp has an industrial inspired design. It features a broad, downward facing conical shade with a warm, textured finish. The shade is attached to a sturdy, curved arm, which connects to a circular wall mount.

VB-12-137

- **Color :** Grey + Brown
- **Dimension :** D-12" H-68"
- **Lamp Type :** 10w WW
- **Barcode :** 940527500

This elegant floor lamp combines a modern aesthetic with a classic arched design. It features a sleek, tall stem that curves at the top to suspend a broad, downward-facing conical shade. The lamp provides both focused and ambient light, making it a perfect reading lamp for a living room or study.

VB-12-138

- **Color :** Black + Grey
- **Dimension :** D-10" H-18"
- **Lamp Type :** E27 x 1
- **Barcode :** 94058125

VB-12-139

- **Color :** Black + Blue
- **Dimension :** D-10" H-18"
- **Lamp Type :** E27 x 1
- **Barcode :** 94058125

These striking pendant lamps feature a contemporary, stacked design. A large, spherical light globe hangs from a sleek ceiling mount.

The globe is topped by a decorative, cylindrical element, creating a beautiful contrast in shapes and materials. The minimalist and clean design makes these lamps a versatile addition to any modern interior.

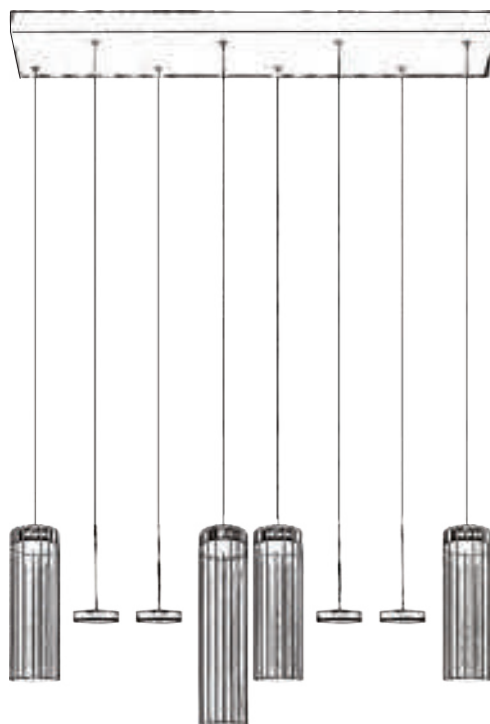

VB-12-140

- **Color :** Pastel
- **Dimension :** L-32" W-8" H-13"
- **Lamp Type :** 50w WW
- **Barcode :** 940540000

This Hanging light features a series of elongated glass shades suspended in a linear arrangement, creating a striking sense of rhythm and symmetry.

The ribbed surface enhances light diffusion, producing a gentle glow while adding depth and texture. Perfect for dining spaces, kitchen islands, or large gathering areas, it blends functionality with refined style. The structured composition makes it an excellent centerpiece for both contemporary and elegant interiors.
